

## INTRODUCTION

The next chapter in our LT story has arrived. The fourth car to bear the 'Longtail' name is the awe-inspiring 765LT. It continues the lineage started by the celebrated McLaren F1 GTR – one of the purest race cars to ever grace the motorsport circuit.

In line with the spirit of that ground-breaking car, the 765LT offers the most engaging, enthralling driving experience. Lighter. More powerful. With performance that pushes the boundaries of driver betterment. And that sets a new benchmark... as the fastest, most powerful Super Series McLaren to date.

The relentless spirit of all 'Longtail' predecessors lives on. As does the supremely singular focus. And the pure, unbridled performance that defines them all.
